

## Ofsted Report

I was delighted to receive our Ofsted report from April 2015 confirming the great improvements we have made since opening in September, 2013. I am sure you will agree that the report highlights the many strengths of the school including the good attitudes the pupils have to learning, and to each other. The report also comments that achievement is now good or better in a range of subjects, including English.

This is a significant milestone on our journey towards being outstanding.

I would like to thank all parents, pupils, staff, school governors and TSAT for their tremendous support so far.

Please contact the school if you would like a hard copy posted to you.

Miss Natalie Sheppard  
Principal

## Co-educational Consultation Update

We have concluded our consultation on whether PAG should become co-educational from September 2017 and the governors have decided to submit the business case to the Secretary of State for Education.

Parents can find the final business case on the school website. We expect a decision from the Secretary of State in September/October of this year.

Miss Natalie Sheppard  
Principal

## Aspire & Achieve

### A message to all parents and carers

A vacancy has arisen for a parent/carer to join the local governing body of PAG.

This is a great opportunity to join an experienced and committed team and contribute to shaping the vision for the school, representing the interests of parents in our local community.

If you would like to discuss this opportunity further, please contact the Principal at the school, who will be happy to meet and talk through the expectations of the role including the time commitment.

Miss Natalie Sheppard  
Principal

## Attendance

### Attendance week beginning 11 May 2015

Pankhurst	94.18%
Rowling	93.97%
Curie	93.11%

# Technology Honours

Congratulations to the students below who have all been working extremely hard recently in their Technology lessons. Each has been recognised for either sustained effort or outstanding achievement.

Each one will receive an enamelled Honours badge to wear with pride on their blazer and a certificate for their record of achievement.

These awards are issued at the end of each module studied in: Graphic Products, Catering and Nutrition, Textiles and Catering.

Miss Albon and Miss Notman would like to take this opportunity to thank and congratulate the Year 11 Going for Gold girls for all their hard work and commitment over the past four weeks. It has been an absolute pleasure and we have thoroughly enjoyed supporting you in the after school revision sessions in The Achievement Centre.

We wish you every success in your exams.

Miss Albon and Miss Notman
