Dear Parent/Carer

Re: Year 10 Mock Exams 26th April - 14th May

I am writing to inform you that from 26th April until 14th May year 10 students will be completing mock exams. This is important for students to understand their areas of strength and for development. It will also inform teachers' curriculum plans so that we can make any adjustments necessary to maximise learning time and identify students for intervention.

Due to current restrictions, exams will take place in classrooms. This does not, however, mean that the exams are any less important than if they are in the exam hall and it is paramount that standards are as high as they will be for the actual GCSEs.

I have attached the timetable for the mock period below. It is worth noting that not all students will be sitting an exam for every one of the highlighted lessons; students need to find their timetabled lessons to identify when the mocks are for each of their subjects.

Whilst we want your child to enjoy their Easter holiday, we also know that KS4 is a very demanding time and we want to support them in the lead up to these exams as much as possible. As a result, your child will be provided with revision resources via Teams for their subjects to complete over the 2-week break, to ensure that they are adequately prepared upon their return to school on 19th April. This returning week will be re-teach week, where revision will take place during lesson time.

I would like to take the opportunity to thank you for your continued support. If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr C Andrews
Assistant Principal: KS4 Quality of Education
