

What is Class Charts for parents?

Depending on how your school has set up our system, you will be able to use Class Charts to keep track of your child's [behaviour](#), view [attendance](#) records, access their weekly [timetable](#), view assigned [homework](#) tasks, track scheduled [detentions](#), create [wellbeing](#) submissions and view announcements from their school.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account.

Class Charts for parents can be accessed via our [website](#), or through our [iOS](#) and [Android](#) apps.

You should have received a [Parent code](#) from your school, which will look similar to the example code shown on the right.

This code is used to set up your [Class Charts parent account](#), which is covered on the next page.

Signing up to Class Charts

1. Select [Sign up](#) from the mainpage and fill in the form provided. Enter your [parent code](#) into the [Access code](#) field.

Please note: Your Access Code is [not](#) the same as your password. The access code is only needed for the initial sign up.

2. Click on the [Sign up](#) button below the form.

3. Confirm the pupil's date of birth when prompted. Click on the [Date of Birth](#) field and use the date picker to enter the correct date.

4. A [confirmation message](#) will appear, indicating that the sign up process is complete. [Verify](#) your email address to continue.

Behaviour

If your school has decided to share behaviour information with parents, you will see the **Behaviour** tab when viewing pupils from that school.

Selecting this tab will display multiple graphs which represent an overview of your child's **achievement** and **behaviour** data within a **customisable timeframe**.

By default, the displayed date range is **31 days**. To view a different range of behaviour data, click on the **Date** button to select from the available presets or create your own custom date range.

Thursday 11 July

Below these graphs you can find a list of behaviour activity relating to your child. These display the **behaviour** that was awarded, **when** it was awarded, **who** awarded the behaviour, the **lesson** the behaviour was awarded in, and how many **points** the award is worth.

The level of detail within each behaviour award depends on the settings that your school has enabled.

Detentions

If your school has decided to share detention information with parents, you will see the [Detentions](#) tab when viewing pupils from that school.

Selecting this tab will display a list of [detentions](#) which have been set for your child

Detentions fall under 4 categories: [Attended](#), [Not attended](#), [Pending](#) and [Upscaled](#).

Attended: Your child has sat this detention.

Not attended: Your child did not sit this detention.

Pending: This detention has not been sat yet.

Upscaled: Your child's detention has been escalated into another type of detention.

To view more information about a specific detention, click on the [arrow](#) icon.

This will bring up a popup that describes the detention, including the [location](#) for the detention, the awarding [teacher](#) and [scheduling information](#).

Timetable

If your school has decided to share timetable data with parents, you will see the [Timetable](#) tab when viewing pupils from that school.

Selecting this tab will present you with your child's [timetable](#) for the current day. This includes the [time](#) of each lesson, the [lesson name](#), the [teacher's name](#) and the [room](#) where the lesson will take place.

Your child's current lesson will be highlighted in [blue](#), as shown on the right.

To view timetable data for another day of the week, click on one of the other [displayed dates](#) along the top of the timetable.

To change the displayed week, click on the [Date](#) button and select a date from the week of your choice.

Classes

If your school has decided to share class data with parents, you will see the [Classes](#) tab when viewing pupils from that school.

Selecting this tab will present you with a list of your pupil's [classes](#). Each class tile will display the class [name](#), the class [teacher](#), the [subject](#) and the [room](#) the class takes place in (if applicable).

To view the full list of teachers for a specific class, click on the [Show all teachers](#) button for the class of your choice.

Announcements

If your school has decided to share announcements with parents, you will see the [Announcements](#) tab when viewing pupils from that school.

Selecting this tab will display a list of [announcements](#) that have been shared with you regarding the selected pupil.

Announcements with a [pin](#) icon will always stay at the top of the announcements list.

If you are viewing announcements from the main parent dashboard, click on the [X](#) icon in the top right hand corner of an announcement to dismiss it.

Dismissed announcements can be viewed again in the pupil's individual [Announcements](#) tab.

Depending on your school's setup, you may receive announcements that require your [consent](#).

To confirm or deny your consent for an announcement, click on the [Give consent](#) and [Do not consent](#) buttons respectively.

You can also leave a [comment](#) regarding your consent. Enter the comment of your choice and click on the [Save comment](#) button.

On-Report Cards

If your school has decided to share On-Report cards with parents, you will see the [On-Report Cards](#) tab when viewing pupils from that school.

Selecting this tab will display a list of [On-Report](#) cards that have been shared with you regarding the selected pupil.

Each card displays the [timeframe](#) that the On-Report card is active for, the [reason](#) why the pupil has been placed on report and a [description](#).

To find out more about an On-Report card, click on the [expand](#) icon.

To leave a comment on an expanded On-Report card, click on the [Add new comment](#) button and enter the message of your choice.

This message will be seen by the teachers that are involved with your child's On- Report card.

Messaging

If your school has decided to allow two-way communication with parents, you will see the [Messaging](#) tab when viewing pupils from that school.

Selecting this tab will display a list of [teachers](#) that you are able to send and receive messages from. To send a message to a specific teacher, select their name from the list.

You will be presented with a messaging [thread](#) between you and the selected teacher. To send a message, type into the text field provided and click on the green [send](#) icon.

If the thread has been [locked](#) by a teacher, you will be unable to send and receive additional messages.

If you have received a new unread message, you will see a [red dot](#) on the [Messaging](#) tab and the [teacher's name](#).

Badges

If your school has decided to share badges with parents, you will see the [Badges](#) tab when viewing pupils from that school.

Badges are a way for your school to inform you [when significant behaviour](#) goals have been [achieved](#).

Your child will be issued with a badge when they meet the badge's [criteria](#). The criteria for each badge will be set up by the school.

Any badges that your child has earned will be displayed here, listing each [type of badge](#) and [how many times](#) they have been awarded.

Logging in to Class Charts

Once you have signed up to Class Charts, you can log back into your parent account at any time.

1. Select [Log In](#) from the mainpage and enter your [email address](#) and [password](#) into the fields provided.

4. A [confirmation message](#) will appear and the child will be added to the pupil icon popup.

Switching between pupils

If multiple children have been set up on your Class Charts parent account, you are able to switch between them and view child specific data at any time.

To switch between pupils on the desktop view, click on their [name](#) in the left hand side menu.

Their individual pupil dashboard will open on the first entry in the list. You can then switch between tab categories by clicking on the available icons in the list.

You can check to see which pupil is currently selected by looking for the [orange tab](#) highlighting their name in the left hand side menu.

To switch between children on the mobile app, click on the [Pupil](#) icon in the bottom right hand corner of the app and select the child of your choice.

Their individual pupil dashboard will open, allowing you to swipe between their available tabs.

Account settings

If you're using the desktop view, you can access the account settings menu through the [Settings](#) button in the top right hand corner of the page.

If you're using the mobile app, these options can be accessed through the [three lines](#) menu in the top right hand corner.

The [Change password](#) page allows you to enter a new password for your Class Charts parent account.

The new password must be a minimum of **8 characters** long, but we also recommend including an [uppercase](#) letter, a [lowercase](#) letter, a [number](#) and a [symbol](#).

The [Account details](#) page allows you to change the displayed name on your Class Charts parent account and the email address used to log in and receive notifications.

If you no longer wish to use your ClassCharts parent account, click on [the Delete Account](#) option to permanently delete it. Should you change your mind, you will need to sign up again using the [parent code](#) provided to you by your school.
