Dear Parent/Carer

Final weeks, assessment timetable and Special Consideration

With the end now in sight, final assessments are beginning to take place and NEA deadlines are looming. Miss Piper and I have been incredibly impressed with the year group since we have returned to school and have no doubt that they will continue to impress us in these final weeks.

Students now have a timetable of the assessments that they will be sitting in the last 3 weeks of this half term, and I have attached a copy of this to this letter. Lessons that are highlighted will include an assessment. Please support your child in prioritising revision for these final assessments.

Once the assessments and NEAs have been completed and teachers have collated the evidence, we will review each student individually to ensure that their Teacher Assessed Grade is accurate, evidence based and has been robustly scrutinised. Mrs Grey, as Principal and Head of Centre, will submit a declaration by confirming that the requirements for internal quality assurance have been met.

The usual special consideration arrangements will not apply as they would have when exams took place. However, where illness or other personal circumstances might have affected performance, for example in assessments over this term, students can inform the school about any mitigating circumstances they think might affect their grade in line with JCQ rules for 2020/21. The JCQ guide to special considerations outlines the sorts of personal circumstances that can be considered as well as outlining circumstances that cannot be considered.

Information should be sent in confidence to c.andrews@tsatrust.org.uk by Wednesday 19th May. The school will then review the evidence to see whether the evidence warrants special consideration.

Thank you as always for your ongoing support.

Yours sincerely,

Mr C Andrews
